**RE: Reference Letter, Molitor Enterprises**

TO WHOM IT MAY CONCERN:

Larry Molitor, Molitor Enterprises, performed a roof replacement of the polyurethane roof at the Possum Kingdom Morris Sheppard Dam Power House for the Brazos River Authority during the spring of 2009. During the tear-off and recoating of the roof, Mr. Molitor and his crew demonstrated their expertise in this area by being ready and on the job at the specified start date, working steadfast and diligently to stay ahead of the weather, and finished the job to the satisfaction of The Brazos River Authority ahead of schedule.

Sincerely,

Lee Bachus

Construction Manager  
Brazos River Authority

CC: Larry Malt, Project Coordinator BRA
